AGREEMENTS

To qualify for an FFA office/committee chair position, you and a parent/guardian must read and agree to each of the following statements. **Read each statement, and initial each to indicate your agreement.** If you have a particular objection to one of the statements below, you may still qualify for an office by attaching a typewritten statement describing why you disagree with the statement.

I understand that a limited number of students may serve the chapter as a chapter leader, and that this application is just the first step in the selection process. The process will include interviews, which are scheduled for the date and time mentioned at the top of the first page of this application. I understand that I will be required to attend this interview to be considered for an office.

Initial Here

I understand the responsibilities of an FFA chapter leader in general, and the responsibilities associated with the particular office(s) for which I am running. I will serve as an officer to the best of my ability.

Initial Here

The FFA organization has high standards. I realize that it is a privilege, not a right, to serve as a chapter leader. I understand that behavior that is not consistent with that of a responsible officer may result in my being removed from office in accordance with the FFA constitution.

Initial Here

I agree to attend all chapter meetings and executive meetings with reasonable regularity; I understand that missing or showing up late to more than two officer meetings, chapter meetings, or other events for which officer attendance is mandatory, without a prior excuse that has been cleared by the advisor, will result in removal from my position.

Initial Here

I agree that FFA members that hold an executive position should be held to a higher standard than other members. Therefore, if at any time during my term I am declared ineligible to participate in activities by Frontier High School's Administration due to a good conduct violation, academic ineligibility, or any other reason, I will permanently step down from my office.

Initial Here

I agree to memorize my part in the opening ceremonies, regardless of what office I am elected to, by the time of the first FFA meeting of next school year.
